Statistical articles

Energy overview

- [Energy statistics - an overview](#)
- [Energy statistics - latest trends from monthly data](#)
- [Energy consumption in households](#)
- [Energy production and imports](#)
- [Energy use by businesses and households - statistics](#)

Energy and environment

- [Electrical capacity for wind and solar photovoltaic power - statistics](#)
- [Energy efficiency statistics](#)
- [Monthly electricity generation from non-combustible renewables - statistics](#)
- [Renewable energy statistics](#)
- [SDG 7 - Affordable and clean energy](#)

Energy consumption

- [Agri-environmental indicator - energy use](#)
- [Coal production and consumption statistics](#)
- [Electricity production, consumption and market overview](#)
- [Energy consumption in households](#)
- [Final energy consumption in industry - detailed statistics](#)
- [Final energy consumption in services - detailed statistics](#)
- [Final energy consumption in transport - detailed statistics](#)
- [SDG 12 - Responsible consumption and production](#)
- [SDG 7 - Affordable and clean energy](#)

Energy prices

- [Electricity price statistics](#)
- [Natural gas price statistics](#)

Energy production and imports

- [Energy production and imports](#)

Energy sources

Coal

- [Coal production and consumption statistics](#)
- [Production of lignite in the EU - statistics](#)
- [Production of lignite in the Western Balkans - statistics](#)

Electricity

- [Businesses in the electricity, gas, steam and air conditioning supply sector](#)
- [Electricity and heat statistics](#)
- [Electricity market indicators](#)
- [Electricity price statistics](#)
- [Electricity production, consumption and market overview](#)

Natural gas

- [Businesses in the electricity, gas, steam and air conditioning supply sector](#)
- [Natural gas market indicators](#)
- [Natural gas price statistics](#)
- [Natural gas supply statistics](#)

Nuclear

- [Nuclear energy statistics](#)

Oil

- [Emergency oil stocks statistics](#)
- [Heavy fuel oil - production, trade and use](#)
- [Oil and petroleum products - a statistical overview](#)

Renewable energy

- [Renewable energy statistics](#)

Energy statistics by area

- [Resources and green transformation in candidate countries and potential candidates](#)

Methodology

Overview

- [Energy statistics introduced](#)

Background articles

- [Calculation methodologies for the share of renewables in energy consumption](#)
- [Energy balance - new methodology](#)
- [Energy balance - old methodology](#)
- [Improved timeliness of energy statistics](#)

Glossary

- [Energy glossary](#)
